

mySewnet™ Quilting Hat Tips & Hints

Elevate your personal style by adding a quilt block to your hat using mySewnet Quilting and cut with the SINGER® MOMENTO™ craft cutting machine.

Materials

- Hat
- Scraps of fabric
- Coordinating thread
- Pins
- Denim needle
- Rotary cutting attachment for MOMENTO
- Fabric mat for MOMENTO

Optional:

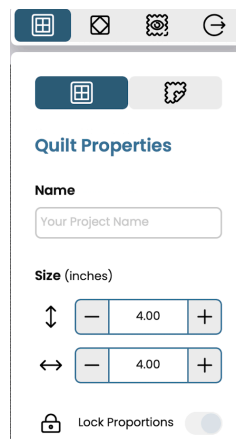

- Double-sided fusible seam tape

Designing Directions

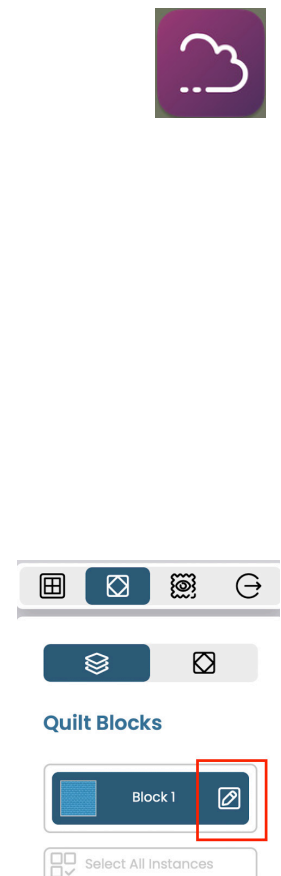

1. Open the mySewnet app on your desktop or tablet.
2. Select "Quilting" then "Load a Preset Quilt Layout".

3. Select the 1x1 block design.
4. Adjust the size to 4".

5. Change the design of the block by going to block overview and select the edit button.
6. Send to your cutting machine when you have the design selected.

Cutting Directions

1. Send the design to your machine and follow the prompts to continue cutting.
2. For more in-depth instructions for loading and cutting fabric, watch our [YouTube video here](#).

Sewing Directions

1. Sew the block according to the instructions in the "Quilt Project Overview" section.
Tip: Iron seams towards the darker fabric after each seam.

2. Fold over and press the edges of the block 1/4" - 1/8".

3. Pin the block to your hat.
Tip: Use double-sided fusible seam tape to keep the edges of the block from unfolding if you are struggling.

4. Sew along the folded edge.
Tip: Use needle up/down at the corners so you can easily pivot your fabric.
